time 4 h. 25 m. 42 s. \*\*\*\*\*

New York, Sept. 36 .- Over a twelve and a fraction mile course, situated in the heart of Long Island, a score of auto drivers, representing America, France, Italy and Germany, will tomorrow contest in the sixth international auto race for the Vanderbilt Cup, emblematic of the American road racing championship. That the race this year is bound to surpass all of its predecessors in interest, speed and personally is the unanimous opinion of all of the experts identified with the contest. The fact that the Motor Park sweepstakes is to be run the same day has added considerably to the popular interest manifested in the

#### No Change In The Course.

The course for the Vanderbilt Cup contest is the same as last year, the circuit being 12.64 miles in extent, and the race will be twenty-two laps, or 278.08 miles, the same as last fall. The circuit consists of the Motor Parkway, Messapequa road and Old Country road. Outside the Parkway. sich has a special racing surface, the roads are broad and have been well oiled. There are only four turns, which have been banked so that they can be taken at speed.

The Vanderbilt Cup race will be started at nine o'clock tomorrow morning, and for the first hour there will be no other cars on the course trophy. This it is expected will clim- for hunters going to Kewcenaw county except those competing for the main inate the great confusion that occurred last year when the Motor Parksimultaneously with the Vanderbilt depot in Calumet at 8:39 o'clock in the Cup cars.

#### Other important Races.

The Motor Parkway sweepstakes, to be started at ten o'clock, will include two classes, the Massapequa and the Wheatley Hills sweepstakes for trophles and \$1006 cash in each, and open to case in class B, of the A. A. A. contest rules. This class is for stock 9:45 a. m., and on the return trip will that of their guides. cars with piston displacement and leave Mandan at 1 o'clock. minimum weight restrictions. The Massapequa sweepstakes will be open to stock cars of 161 to 230 cubic inches piston displacement and 1400 pounds minimum weight. The Wheatley Hills city of Wilkesbarre plans to take out sweepstakes will be open to stock of 231 to 300 cubic inches piston disweight. For the Massapequa aweepstakes the circuit will be covered ten times, making the race 126.4 miles. the circuit will be covered fifteen a distinct commercial advantage. times, making the total distance 189.6

#### Daring Drivers Entered.

The world's most preminent and daring drivers are represented in the entry list for the Vanderbilt Cup race this year and for the past two weeks have been preparing and tuning up or more eleventh-hour withdrawals. Tanana valley where the young man eighteen and possibly twenty cars will passed last spring and took a raft. It start in the mad dash around the is believed he was drowned. Others twenty-iwo-lap circuit in an attempt to win the coveted silver trophy emblematic of the auto championship.

other members of the Bens team will Scheifler, who has never appeared in sity of Vermont being cancelled as Bruce-Brown. Harry F. Grant, winner of last year's race, will pilot an Among the other cars entered for the to Captain Landan while he was in Alco. The Pope-Hariford team will consist of Fleming and Dingley; the Harris-Hanshute as driver, and the practice also will be discontinued for Marmon team, Harroun and Dawson; Lozier, with Ralph Mulford.

## FEDERAL COURT **BEGINS TUESDAY**

TERM WILL NOT BE SO LONG AS LAST TWO HAVE BEEN-COP-PER COUNTRY MEN ON THE JURY.

Marquette, Mich., Sept. 39,-The locket for the October term of United States court, which opens next Tuesday, has been prepared by Deputy on Tuesday, should add several crim inal cases to the calendar, the term The most important case on the crim inal docket is the re-trial of James H. Worden, Floyd F. Dueil and Alex G. Person, who are charged with conspiracy, through which it is alleged by the government that the J. H. Worsession of certain timber lands in

Chippewa county. This case was tried before a jury at the June term, Dr. Keenan, of Madison, who accombut the jurymen were unable to agree upon a verdict. With one exception, all the rest of the criminal cases are Chinese deportation cases, which were postponed at the June term. The exception noted is a case in which the defendant is charged with selling oleomargarine without a license.

Thirty-six men from all parts of the apper peninsula have been subpoenaed to serve on the traverse jury. A grand jury has also been summoned to appear Tuesday, but their names are not given out in advance, Those on the traverse jury are:

Wallace-Frank Allgeyer. Houghton-Fred L. Barrett, H. F.

#### HEALTH BOARD FAVORED.

Forty-Fifth Annual Meeting of State

Medical Association. Bay City, Mich., Sept. 30.—The for ty-fifth annual meeting of the Michigan State Medical society opened in Ridotto hall Wednesday morning with tended a welcome in behalf of the city and Dr. Hauxhurst for the Day County Medical society. The address of President Carstens of Detroit, a paper on "The Cancer Question," by Dr. George W. Crife of Cleveland, and a paper by Leartus Connor of Detroit, were the program of the morning.

A resolution favoring the creation of drugs act was adopted. The society also went on record as opposed to the use of preservatives in the prepara. tion of food. Dr. C. B. Burr of Flint. was nominated for president for the was addressed by Dr. Guy L. Keifer of Detroit, followed by a buffet lunch and

#### FINE HUNTING IN MAINE.

Season for Big Game Opens in Pine Tree State at Midnight.

Bangor, Me., Sept. 30.—The ban

Between fifteen and twenty thousand deers were killed in Maine last season and something like five thousand in Vermont. It was an excellent season in all of the deer States of New England, save New Hampshire. against this total for the deer, not more than three or four hundred of the lordly moose fell before hunter and guide. For a larger total bag of this game animal it is necessary to cross the border into New Brunswick, be found pretty well all over Maine, but the difficulties encountered in trailing the marauders leads to a comparatively few number of them being

The State of Maine spends some thing like \$40,000 a year for the protection of its big game and fish, and in this fact is found one of the reasons for the perpetuation of the "big game of the region. It is not possible to fully control illegal shooting by tumbermen in remote sections, but the Fish and Game Commission and its wardens are very successful in keeping all others within the bounds of

#### WARNER-CRAMPTON DECISION.

Supreme Court of State Hands Down Important Ruling.

Lansing, Sept. 30.—The supreme ourt in a decision handed down this ceek defeats the attempt to block out the act giving villages the right barring saloons from the town. The In his testimony Representative saloonkeeper applied for a writ of mandamus charging that the legislature in passing the Warner-Crampton act in 1909, had by implication repealed the law giving villages home rule in regard to the liquor traffic. The court says there is nothing inconsistent in the two acts and denies the application.
